RANKING RUBRIC *CONFIDENTIAL*

Using indicators of excellence, create a picture of the best project.

Project Requirements	Excellent E = 3	Satisfactory S = 2	Bare Minimum B = 1
Innovative elements			
E – highly innovative, potential to create new delivery model/best practice			
S – some innovative elements			
B – duplication of existing model/research			
Objectives			
E – clearly articulated, outcomes, indicators, methods, framework			
S – statement(s) with some clarification			
B – broad, vague general statement, no details or explanation			
Time frame			
E – full details with benchmarks/milestones showing insight			
S – adequate timeframe, goals and objectives are doable			
B – no details except time required, e.g. 12 months			
Community-based			
E – significant issue defined by community, project driven by community, project aims to build capacity in the community			
S – some community consultation, community involved in some way throughout life of project			
B – little community involvement or impact			
Partnerships			
E – meaningful and viable partnerships, diverse partners			
S – some partnerships with room for expansion or inclusion			
B – few or no quality partnerships			
Evaluation Plan			
E – multiple types of evaluation to inform project during and after			
S – adequate plan that could be enhanced			
B – limited form(s) of evaluation, insufficient details			
Dissemination Plan			
E – wide dissemination plans			
S – moderate dissemination plans			
B – limited dissemination plans			
Sustainability Plan			
E – integrate project into core services and core funding			
S – secure funding from government funding agencies, others			
B – uncertain, vague, reliance on government but no justification			
Leadership			
E – respected leader(s) with strong track record, emerging leader			
S – partnership whose members have a variety of qualifications			
B – inexperienced team			
Project Budget			
E – well substantiated and detailed, cost effective, in-kind support			
S – basic details, some explanation of costs			
B – no details, raises questions, no in-kind, scant information			
Subtotal			
GRAND TOTAL (30 = maximum)
