

PFC Membership Contribution 2024

Corporate Members

Minimum flat rate based on total annual corporate community investment.*
For 2024, the calculation is based on the 2022 fiscal year.

Total corporate community investment	Membership Contribution
\$5 million or greater per year	\$13,125
Between \$3-\$5 million per year	\$10,500
Between \$1-3 million per year	\$7,875
Under \$1 million per year	\$5,250

*Total community investment is defined as aggregate domestic cost to the company in four areas: cash, in-kind contributions, volunteerism during work hours, and management costs.
